## CSV Export for Update of Secondary Schools' School Association Records identifying changes to those records

School View > Student top tab > Options > Exports > BC Secondary School Association History

A new export is available for secondary schools to run that will display changes made by a primary school to a student's Secondary School Association (SSA). The changes include the Start Date, End Date and whether or not the SSA was deleted.

**\*\*\*Important Note for Primary Schools\*\*\*** - Please **do not** end date or delete an SSA! If it is no longer needed, please contact the Secondary School and ask them to withdraw the student.
